BOJA OUTDOOR FURNITURE

Mission:

To become the number one brand for outdoor furniture in the Global Market through focusing on innovation, design and our customers' comfort.

Boja is a Spanish brand that specializes in the production of waterproof outdoor furniture. The story behind every Boja product begins with an innovative idea and ends with our customers' comfort. Boja is now available for distribution in Egypt and the Global Market.

We choose our worldwide partners based on their brand equity, quality certification, and effectiveness in their specialized markets. This strategy has helped us expand beyond the Spanish market and into the wild...
